STAT

25X1 21. [] LIAISON Alan Brown, from the
House Permanent Select Committee on Intelligence staff, called at 5:40 p.m.
asking whether a list of twenty-seven individuals (from CIA, State, DoD,
25X1 DoJ, NSA, FBI and AT&T) had SI clearances. He said that he needed the
information by 8:00 a.m. the following morning. Several phone calls later

Committee hearings.

Director, House Permanent Select Committee on Intelligence, regarding
his inquiry earlier this morning about the status of a Committee request

from them. I told him I was confident we would have an answer well
in advance of the Director's planned briefing of the Committee []
25X1 []

I asked Latimer to speak to an upcoming Mid-Career course.
Latimer informed me he would be unable to because of a conflict in his
schedule. Finally I asked Latimer whether the security police who are
posted at the entrance to the Committee offices are permitted to sign
for classified material. Latimer said they do have Top Secret clearances,
but that only Committee staff members should sign for classified documents.

Bonner wanted to express his appreciation to all of the people whom he met on his recent tour of Latin American stations with [] and to compliment these people on the job they are doing. He asked that we express to them his appreciation of and hospitality of the time devoted to briefings. 7. [] LIAISON Called Tom Smeeton, House International Relations Committee staff, to convey to him the results of the Director's meeting with the Attorney General last Thursday on the matter of further access to information by Chairman Donald Fraser's (D., Minn.) He did express an interest in the Civil Service Commission investigation into irregularities in HEW.

9. [] LIAISON Talked with Jim Bush, House Permanent Select Committee on Intelligence staff, regarding the timing of the Director's overview briefing of the Subcommittee on Budget Authorization as part of its consideration of the FY 79 Intelligence Community budget. Bush said the Committee schedule allowed for only two possibilities for the Director's appearance. One was on 3 February or on 11 February, which would be after some of the hearings on intelligence budgets had already been presented. He said Chairman Bill Burlison (D., Mo.) did not want to break the CCP presentation which is scheduled all day on 10 February. I told him we would take this matter up with the Director and I was later advised the Director talked with Chairman Burlison and it was agreed that he would make his presentation on 11 February.
